## Wild West Adventure

## PARTICIPANT INFORMATION

**Welcome:** The Webelos Adventure Days program is held at Phillippo Scout Reservation near Cannon Falls, MN.

**Camp Schedule & Program:** Camp gates open at 8:05 a.m., check-in runs from 8:05 a.m. to 8:30 a.m. Please try to arrive by 8:30 a.m. When you arrive, have your designated camp leader check-in the whole pack at registration. Activities end for the day at 3:00 p.m (see schedule on reverse). Youth participating will work on a pin in the morning and in the afternoon, with free time being offered over the lunch hours. Scouts can choose to participate in archery, BB guns, action archery, and sling shots (parent permission required) or swimming.

**Roster and Pin Sign-up Forms:** Please fill out the enclosed Roster and Pin Sign-up form, send it to the council office two weeks prior to your session at camp. You will be informed of your pin sessions upon arrival at camp. (These forms can also serve as your list of those who paid and as a list for a reminder phone call to each Webelos before camp.) Please make sure that you fill in a 2<sup>nd</sup> choice for all boys. Make a copy for your pack, the camp will keep its copy.

**Registration Policy:** All youth participants must be registered members of the Boy Scouts of America. During check-in, camp rosters will be compared to pack charters. Applications must be filled out with the appropriate membership fees paid for all unregistered boys **before** they can participate.

**Adult Role at Camp:** Each pack must provide one (1) adult leader for every eight (8) Webelos, with a minimum of two (2) adults. The daily adult fee (\$8.00) includes lunch and participation in free time activities. The camp has full time staff members hired to run the events and activities; adult leaders are encouraged to help manage the group of Scouts and volunteer to assist.

**Health History Forms:** Every Webelos Scout and adult must have a completed health history form. This is not a physical, but simply an informational form to alert the staff of any health problems and to let them know who to notify in case of emergency. **Note parent signature required to shoot BB guns. All the health forms should be brought with you to camp. Please DO NOT mail-in to the office or camp.**

**Medical Care:** Basic first aid is given at the camp by a trained Health Officer. Complete medical services are available in Cannon Falls and Northfield. **Treatment given outside the camp is a family expense, not that of the camp or BSA.**

**Telephone Service:** The **Emergency Only** phone number at Phillippo Scout Reservation is 507-263-4324.

**Food Service:** Lunch is provided at camp as part of the Webelos Adventure Day fee for adults and youth in the camp's dining hall. Scouts and adults should bring their own water bottles for use throughout the day. Many special dietary needs can be accommodated with advance notice (i.e. peanut free, gluten/wheat free, vegetarian), contact lpederson@northernstarbsa.org or 651-254-9184 two weeks prior to attending camp.

**Clothing:** Uniforms are encouraged for the opening ceremony. Wear clothes comfortable for weather (including rain gear if necessary, all programs are on RAIN OR SHINE and are mainly held outdoors) and suitable active footwear. Hats, sunscreen, and insect repellent are also a good idea. Bring a swim suit and towel for swimming activities (the pool is open for free time activities.)

**Trading Post:** Webelos Scouts have the opportunity to buy souvenirs, camping equipment, extra camp patches, pop, and candy at the camp Trading Post. (Visa and MasterCard accepted)

**Attention Leaders:** Please note that the same activity pins that were offered last year will be offered again this year. Webelos who participated in the program last year are welcome to return. However, second year Webelos are encouraged to go to 5<sup>th</sup> Grade Webelos Resident Camp at Navajo or Stearns Webelos Camp where they will receive a different program geared towards getting ready for the adventure of moving into Boy Scouts.
